EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The first paragraph on page 1 under the heading "Related Applications" has been deleted and replaced with the following new paragraph:

This Divisional application claims priority to and the benefit of US Patent Application serial number 09/818,596, filed March 27, 2001, now US Patent 6,645,946.

Terminal Disclaimer

The terminal disclaimer filed on January 6, 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of application serial number 10/108,237 has been reviewed and is accepted. The terminal disclaimer has been recorded.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: claims 1-3 and 6-9 are allowed due to applicants filing of a terminal disclaimer combined with the fact the art does not teach or fairly suggest methods of treating cancer in a subject by administering a

chemotherapeutic agent and galactomannan in a mixture, wherein the closest prior art is seen to be Ouchi et al. (JMS Pure Applied Chem., A34(6), 1997, pp. 975-989, cited on IDS mailed 10/4/04) who teaches conjugates of a dicarboxylated ring-opened derivative of galactomannan (see scheme 1 compound vs. compound of figure 1 in Ouchi et al.) and Adriamycin which are covalently linked to each other.

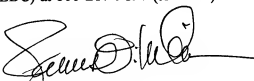

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Traviss C. McIntosh whose telephone number is 571-272-0657. The examiner can normally be reached on M-F 9:30-6:00.
